Location: Plot- 167, Road-13,
Sector-10, Uttara, Dhaka 1230

Career Objective

To build a progressive career in Industrial Automation and Control Systems by leveraging my technical skills in PLC, HMI, and sensor technologies. I aim to contribute to operational efficiency and troubleshooting in a challenging industrial environment while continuously mastering modern automation trends.

Professional Summary

- Diploma in Electronics Engineering holder with 08 months of hands-on experience in the Industrial Automation and Control Systems sector.
- Proficient in automation technologies, including PLC programming (Level IV), EIM (Level III), and industrial troubleshooting.
- Skilled in system installation, preventive/corrective maintenance, fault diagnosing, and process optimization.
- Dedicated professional committed to workplace safety, engineering precision, and driving operational efficiency.

Employment History

Junior Executive Officer Tech Lab Bangladesh Engineering | Dhaka, Bangladesh

Duration: December 2025 – Present

- PLC & Automation Control: Program, configure, and troubleshoot PLCs and HMIs using Delta, Siemens, and Mitsubishi hardware.
- Technical Training: Deliver hands-on technical training on industrial automation, VFD controls, and Modbus communication protocols to students and professionals.
- Maintenance & Troubleshooting: Perform preventive and corrective maintenance on industrial control panels, diagnosing hardware and software faults efficiently.
- Project Execution: Assist in designing and integrating automation solutions, ensuring compliance with industrial engineering and safety standards.

Educational Qualifications

Diploma in Engineering

- Name of Institute : Sylhet Polytechnic Institute, Sylhet
- Department : Electronics Technology
- CGPA : 3.40 (out of 4.00)
- Year of passing : 2026

Secondary School Certificate (Vocational)

- Name of School : Technical School And College, Nilphamari
 - Department : Machine Tools Operation
 - GPA : 4.57 (out of 5.00)
 - Year of passing : 2021
-

Technical Skills

- Automation & Programming: PLC Programming, HMI Design & Configuration, VFD Parameter Tuning & Control.
- Supported Hardware Brands: Delta, Siemens, Mitsubishi.
- Industrial Protocols & Communication: Modbus Protocol, Industrial Wiring & Control Circuits.
- Software Tools: WPLSoft, ISPSOft, DOPSoft (Delta), GX Works (Mitsubishi), TIA Portal, S7-PLCSIM (Siemens), AutoCAD Electrical.
- Core Competencies: Preventive & Corrective Maintenance, Electrical Troubleshooting, Fault Diagnosis, Technical Instruction/Training.

Industrial Attachment (Automation & Control Systems)

Tech Lab Bangladesh Engineering Dhaka

Duration: 03 months

- PLC Programming & HMI Design:** Logic development using Delta (WPLSoft/ISPSOft) and Mitsubishi (GX Works), and screen creation in DOPSoft.
- VFD & Control Circuits:** Parameter tuning, VFD configuration, and control panel troubleshooting.
- Modbus Communication:** Testing Modbus serial communication between PLCs and devices.

Professional Development & Certifications

- Electrical Installation and Maintenance (EIM) NTVQF, Level- I, UCEP Hafiz Mazumder Sylhet TVET Institute, 2023
- Electrical Installation and Maintenance (EIM) NSDA, Level- II, Sylhet Technical Training center, 2025
- Electrical Installation and Maintenance (EIM) NSDA, Level- III, Tech Lab Bangladesh Engineering, 2026
- Programmable Logic Controller (PLC) NSDA, Level-IV, Tech Lab Bangladesh Engineering, 2026
- Licensed Electrician (Category ABC) | License No: [E20250065449] Electricity Licensing Board, Bangladesh

Languages

- Bengali: Fluent (Reading, Writing and Speaking)
- English: Good (Reading, Writing and Speaking)

Computer Skill

- Engineering Software: AutoCAD Electrical, S7-1200, and PLC/HMI programming software.
- Industrial Networking: Basic knowledge of IPv4 addressing, Ethernet/IP, and Serial (RS-232/RS-485) configuration for device interfacing.
- Productivity Tools: MS Excel (data logging and basic formulas), MS Word (technical documentation and reporting), and MS PowerPoint.
- OS & Maintenance: PC hardware troubleshooting, Windows OS installation, and device driver configuration.

Declaration

I hereby declare that all the above information is correct to the best of my knowledge, and I have the necessary documents to support my credentials.
